OUR MISSION

To provide an environment that fosters relevant, individualized life-changing experiences through service and technology.

ABOUT EAST

EAST is Education Accelerated by Service and Technology and provides a unique educational experience that empowers students to solve real-world problems. Through project-based learning and cutting-edge technology, EAST inspires students to become leaders, innovators, and problem-solvers in their communities. This mission comes to life most powerfully through EAST Seminar, where educators are trained to translate technology, service, and innovation into real-world student impact.

Why EAST Seminar Stands Apart

- **Invests in Educators Who Multiply Impact**
Seminar training equips educators to confidently lead innovation using emerging technologies, amplifying outcomes across hundreds of classrooms statewide.
- **Bridges Technology and Purpose**
Training focuses on high-impact tools such as GIS mapping, coding, 3D printing, virtual reality, and more, applied to student-led service projects that solve real community problems.
- **Builds Statewide Network of Changemakers**
Facilitators connect across regions and disciplines, strengthening collaboration and accelerating the spread of best practices throughout Arkansas and beyond.
- **Drives Measurable, Real-World Outcomes**
Educators return to their schools prepared to guide students through hundreds of hours of project work, service learning, and community engagement each year.
- **Elevates and Retains Innovative Educators**
EAST Seminar recognizes educators as leaders, innovators, and catalysts—supporting professional growth that sustains long-term impact.

What This Means for Sponsors

Supporting EAST Seminar means more than funding an event. It means activating a proven, scalable model that turns professional development into lasting student achievement, workforce readiness, and community innovation.

EAST SEMINAR

Join Us at EAST Seminar 2026 — Empowering Educators, Elevating Impact

EAST Seminar is a premier three-day professional development experience held each summer, bringing together over 200 dynamic educators from across Arkansas and beyond. These educators lead EAST programs in schools statewide. Programs that equip students with technology skills, service-learning experience, and real-world problem-solving abilities.

Designed to be immersive, hands-on, and immediately applicable, EAST Seminar prepares educators to translate innovation into measurable student and community impact.

A High-Impact Opportunity for Sponsors

As a sponsor, your organization will be front and center at a high-energy event where education, technology, and community innovation intersect. EAST Seminar offers a rare opportunity to engage directly with educators who influence thousands of students each year.

Through your partnership, you can:

- **Support the educators shaping tomorrow's workforce** by investing in high-quality, future-focused professional development
- **Connect with leaders in education, technology, and community service** from across the state
- **Showcase your brand** to a trusted, statewide network of educators and decision-makers
- **Create meaningful alignment** with innovation, service, and workforce readiness

An Investment That Extends Beyond the Event

By partnering with EAST Seminar 2026, you are not simply supporting a conference; you are investing in a scalable model that empowers educators, strengthens communities, and prepares students to lead, innovate, and solve real-world challenges.

WHY SPONSOR EAST SEMINAR?

Sponsoring EAST Seminar 2026 is more than supporting an event; it is an opportunity to invest in educators, students, and communities through a proven model that delivers lasting, measurable impact.

Your partnership supports high-quality professional development while positioning your organization alongside innovation, workforce readiness, and community problem-solving.

What Sponsorship Delivers

- **Direct Access to Educators**

Engage with over 200 EAST facilitators who lead technology-driven, service-based learning programs across Arkansas and beyond. These educators collectively influence more than 17,000 students each year and actively seek tools, partners, and real-world connections for their classrooms.

- **Meaningful Brand Visibility**

Gain sustained exposure before, during, and after the event through strategic logo placement, digital promotions, print materials, social media recognition, and on-site engagement. Your brand is visible where innovation and education intersect.

- **Authentic Alignment with Innovation and Impact**

EAST students tackle real community challenges using emerging technologies such as GIS mapping, coding, 3D printing, virtual reality, and drone technology. Sponsorship aligns your organization with hands-on learning, future-ready skills, and community-driven solutions.

- **Relationship-Building That Lasts Beyond the Event**

EAST Seminar creates space for genuine connection through networking opportunities, shared experiences, and meaningful conversations that extend well beyond three days.

- **Make a Measurable Difference**

Each EAST facilitator supports hundreds of students annually. By investing in educator training, sponsors help generate thousands of hours of student-led service and technology-driven projects across dozens of communities.

A Partnership With Purpose

When you sponsor EAST Seminar, you are not just supporting professional development; you are helping build a pipeline of educators and students equipped to lead, innovate, and serve.

Your investment today fuels impact that continues all year long.
